

Renovation Project

SunHills Church 2011

Some things are going to be changing around here. This summer you'll notice a series of updates to our campus. We're excited about the renovations to this building that God has entrusted to us. Of course, the main things aren't changing – our desire to love God, love people, and live the mission!

HOW ARE WE DOING THIS?

With adequate reserves and prior year budget surpluses, we are in a good financial position to pay for the renovations without taking on any debt.

We joyfully thank God for blessing SunHills in this way!

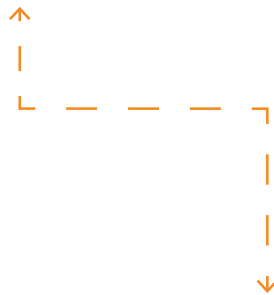

We also thank you – the church family of SunHills! You have been generous and faithful in your giving and we thank you for honoring the Lord in this way by supporting the ministry and mission of SunHills. Your continued faithfulness in giving plays a vital role in how we move forward!

We thank the Board of Directors for their wise and godly stewardship and their diligent oversight of the Renovation Project. Tammy Smith, as part of the Board, has been coordinating this project – working together with other key volunteers and staff. Thank you!

If you have further questions, please contact the Board of Directors at: bod@sunhills.org.

WHY ARE WE DOING THIS?

- * To reach more people.
- * To assist in meeting future ministry needs.
- * To create additional space for fellowship.
- * To update our 14 year old campus & building.
- * To increase the effectiveness of our current space.

WHAT ARE WE UP TO?

Auditorium: New paint, new carpet, new walls (in place of existing partitions), and new chairs.

Lobby: New floors and décor.

Exterior: Extension of the concrete patio with the addition of patio tables and umbrellas.

Estimated Project Cost:
\$75K

In addition, as SunHills has been blessed, we are grateful for the opportunity to help others. We are committed to donating 10% of what is spent on our campus to worldwide missions and local ministry outreach.
